ADA Accomodations

Montgomery County Government is committed to complying with the Americans with Disabilities Act (ADA). As a result, children and teens with disabilities may register for the most appropriate programs for their age, needs, and skill level. There are two options: Therapeutic Recreation camps specifically designed for individuals with disabilities or inclusion in general recreation programs.

If your child needs auxiliary aids or services in order to participate (such as a companion, ASL or cued speech interpreter, or large print), please call a Therapeutic Recreation Specialist to discuss your child's needs (240-777-6870).

If your child has a Special Education placement at school, a volunteer companion to work one-on-one may enhance his or her experience at camp. Since placements are limited, *registration and requests for companions must be made at least 3 weeks before the start of the program.* **Companions may not be available every session.**

Great Outdoor Camps

Give your child an unforgettable summer experience by choosing an outdoor exploration camp. Campers have the chance to gain an appreciation for the natural environment and develop outdoor skills at a first class camp. Swimming and field trip opportunities are included.

ADA Accommodations

Montgomery County Government is committed to complying with the Americans with Disabilities Act (ADA). As a result, children and teens with disabilities may register for the most appropriate programs for their age, needs, and skill level. There are two options: Therapeutic Recreation camps specifically designed for individuals with disabilities or inclusion in general recreation programs.

If your child needs auxiliary aids or services in order to participate (such as a companion, ASL or cued speech interpreter, or large print), please call a Therapeutic Recreation Specialist to discuss your child's needs (240-777-6870).

If your child has a Special Education placement at school, a volunteer companion to work one-on-one may enhance his or her experience at camp. Since placements are limited, *registration and requests for companions must be made at least 3 weeks before the start of the program.*

Companions may not be available every session.

Teen Service Learning Opportunities

New this summer, the Summer Leadership Challenge and Junior Counselor programs will replace the old Counselor in Training Program. Two tiers of participation are offered to provide increased guidance, support and in-depth training to new volunteers and to offer a great service opportunity to our returning volunteers. Camps will not meet on July 4th.

Countywide Programs 240-777-6870

If this is your first time signing up to volunteer at one of our camps, you are eligible to register for our Summer Leadership Challenge. (Successful completion of this training program will make you eligible to register for the Junior Counselor Program next summer.) First time volunteers may also sign up for either of our two Therapeutic Recreation service learning opportunities.

The mission of the teen volunteer program is to develop leadership skills, to help teens gain job experience and to provide assistance to our summer programs. We strive to help teens increase their confidence, communication and job-readiness skills. Student Service Learning Credits may be earned upon successful completion of the program.

Junior Counselor Program

If you served as a Counselor-in-Training, Mainstream Companion or TR Camp Assistant last year, you are eligible to serve as a Junior Counselor. Experienced, qualified returning CITs are valued members of MCRD's Camp Teams. Work alongside our great Camp and Summer Fun Center staff to help all of our participants have a safe and exciting summer. Only two Junior Counselors per session will be placed at each program, unless otherwise noted. Participants may only register for two sessions and must commit for the entire session.

Junior Counselor Training

The Junior Counselor Training is a great opportunity for returning volunteers to build on their experiences from the previous summer and get ready for a new summer of leadership and fun. The workshop will provide an overview of the summer experience and the expectations for Junior Counselors.

This is a mandatory training.

Registrants will be prompted to select a training date during the process of registering for a Junior Counselor session. There is no additional charge.
